Dear Cristian,

Thank you for your email and your interest in presenting Rumänien Investment opportunities in front of Investors.

IME will take place from September 23-24 in Frankfurt, Germany and it is a good place for Investors and investment needs from different countries and in different categories, a unique Event.

The IME's main objective is to promote global Foreign Direct Investment (FDI). This involves attracting potential investors mainly from Europe, as well as Investment Promotion Agencies (IPAs) from Europe, US, Africa, and Asia. The event serves as a hub for making well-informed investment decisions, emphasizing detailed country and location assessments.

WHAT IME OFFERS:

• A highly efficient networking platform for project owners and investors in the environment-friendly economy.

• Networking between cities, regions and countries with individual entrepreneurs for company relocation and attracting foreign direct investment. This Event is used by governments to showcase investment opportunities and meet investors.

WHO SHOULD JOIN IME 2024 FROM YOUR COUNTRY:

• Ministers of Economy and Investment

• Investment Promotion Agencies on national level as well as on regional and/or city level

• PPP units

• Industry Zones that are looking for new companies to be settled

• Investment project owners looking for investors.

• Business Owners

• Banks and Investment Funds

• Embassies located in Europe

WHO WILL VISIT THE IME 2024:

• Investors and Entrepreneurs

• Corporate Executives

• Corporate Officers

• Representatives of Specialized Economic Associations

• Business Clubs

• Small and Medium-Sized Entrepreneurs

Please note that there are several participation options for you to choose, based on your needs and budget. For Countries and the Investment Promotion Agencies (IPAs) we usually recommend booking one of our exhibitors packages. Beside an exhibition booth, which would be built by us, as an exhibitor you get a pitch slot within our conference program as well as up to 10 tickets for your delegation (the number of tickets depends on which exhibitors package you choose) included in the price. Also, through booking an exhibition booth you make sure to be promoted through our website, marketing materials etc. before, during and in the aftermath of the event in the best possible way. Of course, you can also book only a speaking slot and present your business potentials during our conference program or attend as a visitor with a delegate ticket, if you wish to get to know the event first.

Attached you can find our official Registration Form, which includes information on all the above mentioned participation options and their respective prices as well as some sponsorship options. For booking your place at IME 2024, please fill out the form and send it back to us via email at your earliest convenience. Please note that the registration deadline for exhibitors with prearranged matchmaking ends on March 30th, so if you are interested in this option, kindly make sure to register on time.

Should you have any further questions or need any additional information, please do not hesitate to contact us.

We are looking forward to hearing back from you and welcoming you at IME 2024!
